- Referral management

We include the NHS Number on all correspondence.

- Electronic appointment booking

Dr Elliman and Partners are already live with electronic appointment booking

- Online booking of repeat prescriptions

Dr Elliman and Partners are already live with electronic booking of repeat prescriptions

- Interoperable records/Summary Care Record.

Dr Elliman and Partners are already live with SCR. However, if you do not want your medical records to be available in this way then you will need to let us know so that we can update your record. You can do this via the 'opt out form' or on our website under Summary Care Record

- GP2GP record transfers

Dr Elliman and Partners confirm that GP2GP transfers are already active and we send and receive patient records via this system.

- Patient access to their GP record

Dr Elliman and Partners confirm we can offer the facility for patients to view online, export or print the detailed information from their medical record. I.e. information held in coded form.
